US Air Force Academy Association of Graduates
 March 4, 2022

Did you know the first class to graduate with women from the Air Force Academy was the Class of 1967? We're honoring the thousands of women graduates of the Air Force Academy this month, and sharing their stories. A lot happened leading up to that historic graduation.

- Capt. Naomi McCracken became the first female officer appointed to the Academy staff in 1957.
- In 1971, Maj. Vivienne Sinclair joined the Department of Languages, becoming the first female instructor at L...
